

## **Internal & External Vacancy (Assistant Boilermaker x2)**

Uis Tin Mining Company Pty Ltd an equal opportunity employer, situated in the Erongo region, hereby invites competent & suitably qualified candidates to apply for the position of **Assistant Boilermaker**. This position reports to the General Engineering Supervisor.

### **Key Responsibilities:**

- Assist in cutting, shaping, welding, and assembling metal components, including plates, pipes, and structural steel.
- Perform basic welding tasks under supervision, including MIG, TIG, and arc welding, to join metal parts and ensure structural integrity.
- Assist in the inspection, maintenance, and repair of structures, pressure vessels, chutes and other equipment, ensuring safe and efficient operation.
- Use and maintain a variety of hand and power tools, such as welding equipment, grinders, drills, and cutting torches, to complete tasks effectively and safely.
- Perform engineering duties as required by Engineering Supervisor.
- Help inspect finished work to ensure it meets specifications, is free from defects, and adheres to safety and quality standards.
- Perform inspections in accordance with Mine Health and Safety Act regulations.
- Ensure personal and co-workers' adherence and compliance to Security and Company's SHE objectives.
- Follow safety procedures and protocols to maintain a safe working environment.

### **Key Requirements:**

- Minimum of Grade 10 or Grade 12 certificate.
- Basic knowledge of mechanical principles.
- Minimum of two (2) years' experience in the mining environment.
- Experience or willingness to learn various welding techniques (e.g., arc welding, MIG, TIG) under supervision.
- Must have worked in a Steel or fabrication workshop.
- Vocational training or apprenticeship in boilermaking, welding, or a related field is an advantage
