

Internal & External Vacancy (Mobile Crane Operator)

Uis Tin Mining Company Pty Ltd an equal opportunity employer, situated in the Erongo region, hereby invites competent & suitably qualified candidates to apply for the position of **Mobile Crane Operator**. The position reports to the Maintenance Planner.

Key Responsibilities:

- Calculate Load Capacity: Determine the weight of items to be moved in relation to the maximum capacity of the crane based on manufacturer's specifications.
- Operate various types of cranes & Telescopic Handlers to move heavy materials such as steel, concrete, and machinery to specific locations on site.
- Coordinate with ground personnel using hand signals or radios to safely lift and position loads.
- Attach and detach various lifting attachments and accessories for different tasks (e.g., fork tines, lifting hooks, buckets).
- Perform pre-operational checks on cranes and telescopic handlers, ensuring they are in good working condition and reporting any mechanical or safety issues.
- Perform routine maintenance on equipment, such as checking fluid levels and ensuring operational safety mechanisms are functioning properly.
- Ensure proper loading and weight distribution on cranes and telehandlers to prevent overloading or instability.

Key Requirements

- Minimum of 5 years' experience operating mobile cranes, telescopic handlers, and high-up trucks; OR minimum of 7 years' experience with a Grade 10 qualification.
- Must hold a valid C35 or equivalent crane operator certification (minimum capacity of 90 tons).
- Certification as a telescopic handler operator is required.
- Possession of a valid code CE driver's license is preferred.
- Basic computer skills are beneficial.
- Completion of a Rigging Certificate is advantageous.
- Telehandler operations certificate is a plus.
