 - Develop detailed technical drawings of furniture products and office configurations.
 - Conduct site measurements and client consultations.
 - Produce accurate floor plans and detailed 3D visuals for presentations.
 - Execute space planning, including selection of ergonomic furniture, fabrics, and materials.
 - Apply principles of color theory, ergonomics, and spatial design to develop impactful interior solutions.
 - Work closely with sales consultants to ensure client requirements are met from concept to installation.
 - Support showroom layout and product display strategies.
-

Minimum Requirements

- Diploma or Degree in Interior Design, Architecture, or a related field.
 - Minimum 2–3 years' experience in commercial/office interior design.
 - Proficiency in the following software (2025 versions preferred):
 - **Revit**
 - **AutoCAD**
 - **3D Max with Corona Rendering**
 - Strong visual, technical, and verbal communication skills.
 - Excellent attention to detail, creativity, and time management.
-

Additional Requirements

- Valid Code B (08) driver's license.
-
