

Vacancy

1 x REGISTERED NURSE

The Walvis Bay Corridor Group (WBCG) in partnership with the Ministry of Health and Social Services (MoHSS) with funding support from development partners has expanded its current scope of health and wellness services to various strategic regions to ensure a wider reach and expansion of its current scope of interventions and populations. The project is aimed at providing strategic health and wellness services to key and vulnerable populations including mobile populations.

We hereby seek to recruit a qualified, committed, skilled, dynamic and enthusiastic individual to join our dynamic and high-performing wellness team.

Location
OUTAPI
OMUSATI REGION

Closing Date
17H00 WEDNESDAY
21 MAY 2025

MAIN RESPONSIBILITIES

- Responsible for managing the overall clinical and treatment component of the WBCG Wellness Service interventions in their respective areas.
- Administer comprehensive treatment, screening and counselling services for clients as per the national standards, guidelines and protocols of the Ministry of Health and Social Services.
- Regularly monitor and control medical records, pharmaceuticals and other systems within the scope of the project.
- Responsible for providing nursing care and support services to all project clients presenting for HIV testing, treatment, care and support services.
- Participate in HIV outreach Testing Services (HTS) as planned with the project donor/s.
- Screen, diagnose and valuate Pre-ART patients for eligibility and initiate those eligible for ART as per national guidelines.
- Maintain medical records and files in a thorough and accurate professional manner.
- Conduct case management interventions and ensure continuum of care for all clients.
- Administer appropriate Pre-Exposure Prophylaxis (PrEP) and Post Exposure Prophylaxis (PEP) to all eligible clients.
- Request appropriate laboratory and clinical investigations, interpret results and provide appropriate medical care.

REQUIREMENTS
