

Oncologist VACANCY

NOC North

www.namoncology.com

The Namibian Oncology Centre (NOC) is a state-of-the-art cancer treatment facility offering progressive, comprehensive cancer care through some of the most advanced treatment modalities available today. Patient care is what drives us to stay at the forefront of advances in our field. **NOC is seeking an experienced Oncologist** to join our inaugural specialist team at our Ongwediva Practice, working with fellow innovative team members who maintain our CARE values of *Compassion, Accountability, Reliability, and Excellence*.

WHAT YOU WILL BE DOING

- Provide comprehensive outpatient and inpatient clinical and radiation oncology care
- Conduct diagnostic procedures and interpret complex test results and imaging
- Design, prescribe, and oversee chemotherapy and radiation treatment protocols
- Lead multidisciplinary tumour board meetings and treatment planning sessions
- Supervise medical officers and provide clinical guidance to the oncology team
- Manage patient records and treatment plans using Mosaik and Elixir systems
- Stay current with oncological developments through medical publications, conferences, and workshops
- Identify quality improvement opportunities and lead QI initiatives
- Participate in clinical audits, research activities, and proactive risk management
- Ensure patient confidentiality through proper information and records management
- Mentor junior staff and contribute to professional development programmes
- Maintain compliance with all regulatory, statutory, and corporate policies

WHAT WE NEED FROM YOU

- MMed in Clinical and Radiation Oncology (essential)
- Minimum 3 years' post-qualification clinical oncology experience
- Current registration with Health Professions Council of Namibia (HPCNA)
- Expertise in chemotherapy protocols and radiation therapy treatment planning
- Strong clinical leadership and decision-making abilities
- Excellent verbal and written communication skills
- High level of professionalism and personal presentation
- Demonstrated commitment to continuing professional development
- Experience with multidisciplinary team collaboration
- International candidates welcome

Apply Before 31 October 2025
