

Consolidated Copper Corp is a mining, development, and exploration company focused on copper mining in Namibia. The company is seeking suitably qualified candidates for the **Diesel Mechanic Assistant** position in the **Engineering Department** at its **Central Operations (Otjihase/Matchless Mines)** under **Ongopolo Mining Limited**, located 35 km outside Windhoek.

DIESEL MECHANIC ASSISTANT ENG34 x1

Role Purpose: Reporting to the Foreman, the Diesel Mechanic Assistant supports Diesel Mechanics with mobile equipment repairs both underground and on the surface at Otjihase and Matchless mines.

Key Responsibilities:

- Assist in diagnosing, repairing, and maintaining diesel engines and heavy machinery.
- Perform routine servicing and preventative maintenance.
- Identify faults using diagnostic tools and manuals.
- Replace or repair defective parts and components.
- Ensure compliance with safety and environmental regulations.

Minimum Requirements:

- Grade 12 and ability to communicate in English.
- Mechanic Trade Certification (advantageous).
- Minimum of 3 years' experience in a mining environment.
- Physically fit with a strong willingness to learn.

Applications for the above position must be accompanied by a detailed CV and non-returnable certified copies of relevant qualifications, a valid Certificate of Conduct (**Police Clearance Certificate**). If you meet the requirements for this role and are ready to contribute to the success of our company, please apply through our recruitment portal at www.jobopportunities.net.

Candidates must be Namibian citizens or hold Namibian permanent residence permits.

Ongopolo Mining Limited is an equal opportunity employer. Women and people with disabilities are encouraged to apply.

Closing Date: 24 October 2025
