

Auto Electrician – Windhoek

Location: Windhoek

Closing Date: 21 November 2025

Role Purpose

The Auto Electrician is responsible for diagnosing, repairing, and maintaining vehicle electrical and electronic systems in line with Toyota's Customer Service Workshop Management Program. The role ensures zero guest comebacks and high-quality service delivery.

Key Responsibilities

- Diagnose and repair electrical faults.
- Complete pre-diagnostic questionnaires as per required standards.
- Install and service electrical components and accessories.
- Perform routine maintenance on vehicle electrical systems.
- Read and interpret wiring diagrams and technical manuals.
- Use diagnostic tools to identify and resolve issues accurately.
- Provide repair quotations and record future servicing requirements.
- Perform quality control and sign off Fix-It-Right repair orders.
- Assist technicians with services and repairs when required.

Minimum Requirements

- Qualified Auto Electrician.
- Minimum of 3 years' experience as an Auto Electrician.
- Computer literate (MS Office).
- Toyota franchise experience will be advantageous.
- Valid driver's license (compulsory).

Additional Requirements

- Namibian citizenship or permanent residence.
- Excellent technical and problem-solving skills.

- Strong attention to detail and accuracy.
- Good interpersonal and teamwork skills.
- Friendly, energetic, and customer-focused approach.

Application Procedure

If you meet the requirements for this role and are ready to contribute to the success of our company, please apply through our recruitment portal at www.jobopportunities.net.

Equal Opportunity Employer
