

Vacancy

Auto Electrician

Location: Walvis Bay

About BHL GROUP

BHL GROUP is a leading transport and logistics company providing value-added services across sub-Saharan Africa. With a large fleet of heavy-duty vehicles, we are committed to ensuring technical excellence and fleet reliability through skilled professionals in our workshop.

About the Role

Do you have hands-on experience in diagnosing and repairing auto-electrical systems in heavy-duty trucks? BHL GROUP is seeking a **qualified Auto Electrician** with in-depth knowledge of Chinese-manufactured vehicles such as Sino and FAW. The ideal candidate will ensure electrical systems function efficiently, safely, and in compliance with industry standards.

Key Responsibilities

- Diagnose and repair electrical faults in heavy-duty trucks, with a focus on Sino and FAW models
 - Install, maintain, and troubleshoot electrical components such as wiring, lighting systems, starters, alternators, batteries, and control modules
 - Conduct routine electrical inspections and preventive maintenance
 - Ensure all electrical work complies with safety standards, regulations, and company procedures
 - Keep accurate records of repairs and services performed
 - Work independently and efficiently in high-pressure, time-sensitive environments
-

Minimum Requirements

- **Automotive Electrician Certificate** from a recognized institution (Compulsory)
- **Minimum 3 years' experience** in auto-electrical work on heavy-duty vehicles
- Proven experience working on **Chinese-manufactured trucks**, especially Sino and FAW (advantageous)
- Strong diagnostic and problem-solving skills related to truck electrical systems

- Ability to work independently and under pressure
 - Experience in the **transport/logistics industry**
 - **Valid Driver's License**
-

Application Procedure

If you meet the above requirements and have a passion for electrical systems and transport maintenance, we invite you to apply through our recruitment portal at www.jobopportunities.net. Please submit the following:

- A detailed cover letter
 - An updated CV
 - Certified copies of relevant qualifications and driver's license
-

Application Deadline: 7 November 2025 @ 7:00PM

Be part of a technical team that keeps Namibia's transport sector moving reliably and safely.
