

VACANCY

BATTERY SPECIALIST

Company Introduction

Powerbat Namibia (Pty) Ltd, based in Walvis Bay, is a leading distributor of premium automotive batteries and renewable energy solutions. Established in 1978, the company supplies trusted brands such as Willard, SABAT, and VARTA, along with comprehensive solar power packages. With a commitment to quality products, excellent customer service, and sustainable energy solutions, Powerbat serves both retail and private clients across Namibia.

Job Title: Battery Specialist

Location: Walvis Bay

Start Date: 5 January 2026

Role Purpose

The Battery Specialist will provide technical and electrical services to ensure operational efficiency, optimal availability, and safety in the warehouse and battery service operations. This role requires hands-on experience with battery testing, charging, and warranty adjudication, ensuring that all procedures align with company standards and customer satisfaction objectives.

Key Responsibilities

1. Battery Control & Technical Support

- Handle and test all checked and charged batteries as per policy and procedure.
- Identify and manage batteries exceeding the rotation period.
- Conduct voltage checks to maintain standards (12V batteries above 12.6V).

- Manage claim batteries and scrap pallets in compliance with policy.
- Maintain clean and organized charge bay areas.
- Assist with stock counts and picking activities.

2. Compliance & Safety

- Adhere to company policies, procedures, and operational standards.
- Report risks or non-conformances to management.
- Ensure documentation and records are accurate and available.
- Maintain compliance with HSE regulations to prevent waste and inefficiency.

3. Customer Service

- Build and maintain effective relationships with internal and external customers.
- Ensure quick and professional resolution of customer queries or issues.
- Demonstrate integrity and customer focus in all interactions.

4. Cost Control & Efficiency

- Promote effective use of resources and cost awareness.
- Ensure spending is within approved limits.
- Identify and implement cost-saving opportunities.

Minimum Requirements

- Grade 12 Certificate.
 - **Valid Code B Driver's License (minimum requirement); Code C/CE advantageous.**
 - Certificate or Diploma in Auto Electrical or Mechatronics (advantageous).
 - Experience in battery fundamentals, charge bay operations, and warranty claim adjudication.
 - Computer literacy (MS Office Suite; ERP systems preferred).
 - Strong analytical and problem-solving skills.
-

Key Competencies

- Action-oriented and attentive to detail.
 - Strong communication (verbal and written).
 - Planning and organizational ability.
 - Customer service focus and resilience.
-

Additional Requirements

- Namibian citizenship or valid Namibian permanent residence permit.
-

Application Procedure

If you meet the requirements for this role and are ready to contribute to the success of our company, please apply through our recruitment portal at www.jobopportunities.net. Ensure your application includes a detailed cover letter, comprehensive CV, and copies of relevant certifications.

Closing Date: 19 November 2025 at 07:00 PM

Equal Opportunity Statement

Powerbat Namibia (Pty) Ltd is an equal opportunity employer and encourages applications from suitably qualified individuals, regardless of gender, race, or disability.
