

Primary School Teacher (Upper Primary)

St Paul's College has an exciting opportunity for an innovative and qualified teacher to join the Primary School in the Upper Primary Phase (Grades 4 to 6).

Reports to: Head of Upper Primary

Position available from: 1 January 2027

Required experience:

- A recognised three- or four-year teaching qualification.
- A minimum of three years' experience in Primary School teaching.

Our ideal candidate will have:

- Experience in the Cambridge syllabus.
- The ability to teach English First Language and Social Studies.
- A classroom management style that promotes critical thinking and effective communication.
- High emotional intelligence and energy.
- Time management and problem-solving skills.
- The ability to build successful relationships with students, parents and colleagues.
- A commitment to uphold the Christian ethos and values of the College.

Duties include:

- Manage the administrative aspects of the class as well as the development, teaching, counselling, and disciplinary support of the students.
- Plan, prepare, and teach using interactive learning with innovative and creative resources and programmes.
- Design, develop, and implement schemes of work and assessment according to education best practices and students' learning needs.
- Participate in professional development to improve teaching methods and curriculum.
- Facilitate extra-curricular academic support, sport, or cultural activities as requested by the Head of Lower Primary, or the Deputy Head - Primary School.
