Rosh Pinah Zinc, a leading mining company, is seeking a skilled **Laboratory Operator** to join our dynamic team. The successful candidate will play a pivotal role in our operations.

INTERNAL & EXTERNAL VACANCY
LABORATORY OPERATOR X2

Your key areas of responsibility:

- Oversee efficient operation all equipment within the Sample Preparation and UCS sections of the Laboratory.
- Perform quality monitoring checks and tests to ensure the process and equipment run within defined limits, including testing of equipment as directed by preventative maintenance schedule.
- Analyses of samples for moisture and UCS in the laboratory.
- Collect consumables from Supply Chain and deliver them to Laboratory.
- Ensure all samples are captured into the Laboratory Information Management System (LIMS) immediately.
- Prepare samples by pressing, weighing, crushing, pulverizing, splitting, drying and/or filtering.
- Clean the laboratory glassware for efficient operation.
- Compile and submit accurate daily shift reports, downtime and maintenance logs.
- Ensure compliance with SHE requirements, company standards, and statutory regulations.

Ideally, you will have:

- Grade 12
- Laboratory Compliance certification will be an added advantage.
- A minimum of 1 year's laboratory experience.
- Proficiency in Mircosoft Package Suite
- Valid code B driver's license
- Valid Police Clearance Certificate (not older than 6 months)

To apply for the position, submit a compliant application with a cover letter through the recruitment portal www.jobportunities.net. If there is no contact within 2 weeks after closing date, consider your application unsuccessful. Candidates from designated categories are encouraged to apply.

Closing date: 06 November 2026
