

Internal & External Vacancy
Fixed Term Contract: 12 Months
(Assistant Geologist x1)

Uis Tin Mining Company Pty Ltd an equal opportunity employer, situated in the Erongo region, hereby invites competent & suitably qualified candidates to apply for the position of **Assistant Geologist**. The position reports to the Exploration Geologist.

Key responsibilities:

- Adhere to all health, safety, environmental and company standards on site.
- Assist with geological mapping, sampling and exploration field activities.
- Capture, record and maintain accurate geological and exploration data.
- Assist with drill core logging, geotechnical core logging and core marking.
- Prepare sample ticket books and ensure samples are correctly labelled and documented.
- Assist with the insertion and monitoring of QAQC samples in drilling and sampling programmes.
- Monitor and verify drill core depth markings and core quality standards.
- Supervise core photography, core cutting and sample preparation activities.
- Assist with sample dispatch and tracking to external laboratories.
- Conduct planned task observations and promote safe work practices.
- Participate in team risk assessments and verify the quality and completeness of risk assessment documentation.
- Assist with the supervision of Exploration assistants, contractors and service providers.
- Support the establishment and maintenance of exploration field camps.
- Compile daily activity records and assist with reporting on exploration progress.
- Assist with environmental monitoring and rehabilitation of exploration sites.
- Ensure exploration activities are documented and monitored before, during and after field programmes.
- Assist with the preparation of maps, plans, sections and other geological presentations.
- Perform administrative tasks related to exploration activities when required.

Key requirements:

- Grade 12 certificate.
- A recognized Bachelor of Science Degree in Geology.
- Good verbal and written communication skills.
- Proficient in MS Office (Outlook, Word, Excel, PowerPoint, etc.).
- A valid driver's licence will be an added advantage.
- Ability to work in remote field locations and under challenging environmental conditions.
- Willingness to travel and work on roster schedules as required.
- A valid police clearance certificate, not older than 6 months.
